ARRANGEMENTS FOR LIMITED VISITATION AT
GALILEE MEMORIAL GARDENS

The Court adopts the Receiver’s plan for opening Galilee Memorial Gardens (the “Cemetery”) to the public on a predictable schedule of weekends and holidays but upon the conditions that the visitors proceed at their own risk on the uneven ground of the Cemetery, and that neither the Commissioner nor her Department, the Receiver, Receiver Management, Inc. nor the Court shall monitor or be responsible for these Cemetery visitations. 6. The Receiver shall have a sign posted at the Cemetery with the telephone number of Receivership Management, Inc. for questions about grave space locations, and shall have posted days and hours for gate opening and closing of the Cemetery.

7. The cost of the foregoing visitation arrangements is estimated to be \$160.00 per month for weekends and \$20.00 per holiday, and the Commissioner has agreed and
