3. Physical distancing (3 feet) will be observed in the courtroom, including all counsel, parties, witnesses, court reporters, observers, and the media.
4. No more than two (2) persons may be seated together at each counsel table, with masks to be worn at all times. Plexiglass partitions are installed on either side of the podium.
5. Exhibits are to be presented to witnesses in notebooks, prepared by counsel or the parties, and through use of the courtroom visual presenter, to minimize the passing of documents and movement within the courtroom. Parties are requested to provide the Court with one additional copy of all exhibits.
6. Water will not be provided at counsel tables. Counsel, parties, and witnesses are permitted to bring water bottles with them to Court.
7. Frequent use of hand sanitizer is requested. At appropriate times, the Court will take breaks or pause the proceedings to allow courtroom surfaces to be sanitized during hearings, between witnesses, and at the end of the day.
